01 GENERAL INFORMATION

Academic Education

June 2025 — **Ph.D.** — *University of Central Florida, USA*
Program: Integrative and Conservation Biology
Title: Morphology, Evolution, and Host-Driven Convergence in Ichneumonidae (Hymenoptera, Ichneumonoidea)
Supervisor: Dr. Barbara J. Sharanowski

December 2016 — **Master's degree (*Summa Cum Laude*)** — *University of Padua, Italy*
Program: Natural Sciences
Title: Ichneumonidae (Hymenoptera) as Bioindicators: The Case Study of Berici Hills
Supervisor: Dr. Lucio Bonato & Dr. Daniele Sommaggio

April 2013 — **Bachelor's degree (*Summa Cum Laude*)** — *University of Pavia, Italy*
Program: Science & Technology for Nature
Title: Fruition in Parks with Animals (in Italian)
Supervisor: Dr. Riccardo Groppali

Professional Experience

2026–Present	**Director**	*Enns Entomology Museum, Columbia, USA*
2026–Present	**Assistant Professor**	*University of Missouri, Columbia, USA*
2025–2026	**PostDoctoral Scholar**	*University of Central Florida, Orlando, USA*
2025–Present	**Bioinformatics Manager**	*University of Central Florida Collection (UCFC), Orlando, USA*
2021–Present	**Research Associate**	*Florida State Collection of Arthropods, Gainesville, USA*
2019–Present	**Research Associate**	*University of Central Florida Collection (UCFC), Orlando, USA*
2019–2025	**Teaching Associate**	*University of Central Florida, Orlando, USA*
2018–Present	**Research Associate**	*Natural History Museum of Venice, Italy*
2018–2019	**Teaching Assistant**	*University of Central Florida, Orlando, USA*
Summer 2016	**Mosquito Control**	*DEFOR Company, Follina (TV), Italy*
2015–2018	**Assistant Curator**	*Natural History Museum Giancarlo Ligabue, Venice, Italy*

AWARD & FUNDING SUMMARY

- Awarded the UCF Dean's Doctoral Fellowship ($5,000)
- Received a total of $3,000 from the UCF Open Access Publishing Fund for open-access publications
- Awarded $1,000 from the Essig Museum, UC Berkeley, for curation and collection work
- Received $2,000 from the NSF s-STEM Travel Award via Broward College to support workshop presentation
- Awarded $2,100 in travel funding from the University of Central Florida for conferences and training
- Recognized with 6 additional awards, including Best Student Presentations at Hymathon 2023 and the 2023 ESA Meeting, UCF GTA Excellence in Teaching, and *Magna Cum Laude* distinctions for Bachelor's and Master's degrees

Awards & Honors · Total = $2,974 · (GTA = Graduate Teaching Assistant; COS = College of Sciences)

Fall 2026	**SysEB Snodgrass Memorial Research Award** Reason: Outstanding doctoral research in arthropod morphology Amount: $750	*Entomological Society (ESA), USA*
Spring 2026	**UCF Biology Outstanding Ph.D. Student** Reason: Excellence in Research, Teaching & Service Amount: N/A – Plaque recognition only	*University of Central Florida, USA*
Spring 2024	**UCF Biology Excellence in Research Award** Reason: Excellence in Research Amount: $200	*University of Central Florida, USA*
Fall 2023	**Best Student Presentation** Reason: Best student presentation in North America Amount: $200	*Hymathon 2023, Online*
Fall 2023	**Best Student Presentation** Reason: Best student presentation in the Morphology 2 Section (SysBE) Amount: $74 & 2024 Membership	*2023 ESA Meeting, USA*
Spring 2022	**UCF Excellence in Teaching by GTA** Reason: Excellence in Teaching by a GTA Amount: $1,500	*University of Central Florida, USA*
Spring 2022	**UCF COS Excellence in Teaching by GTA** Reason: COS Excellence in Teaching by a GTA Amount: $250	*University of Central Florida, USA*
Spring 2021	**Best Photograph** Reason: Best photograph in Animal Section Amount: One year exposition in common hall	*University of Central Florida, USA*
Spring 2016	***Magna Cum Laude*** Reason: Excellence for Master's degree Amount: Master's degree *Cum Laude*	*University of Padua, Italy*
Fall 2013	***Magna Cum Laude*** Reason: Excellence for Bachelor's degree Amount: Bachelor's degree *Cum Laude*	*University of Pavia, Italy*

Funding – Awarded · Total = $14,100

Fall 2024	**UCF Open Access Publishing Fund** Reason: Funding for open access publishing Amount: $1,500	*University of Central Florida, USA*
Fall 2024	**UCF Graduate Presentation Fellowship** Reason: Funding for travel to 2024 ESA meeting Amount: $500	*University of Central Florida, USA*
Fall 2023	**UCF Dean's Doctoral Fellowship** Reason: Academic accomplishments & teaching excellence Amount: $5,000	*University of Central Florida, USA*
Fall 2023	**UCF Graduate Presentation Fellowship** Reason: Funding for travel to 2023 ESA meeting Amount: $500	*University of Central Florida, USA*
Summer 2023	**UCF Open Access Publishing Fund** Reason: Publishing in Open Access Scientific Journal Amount: $1,500	*University of Central Florida, USA*
Spring 2023	**Visiting Taxonomist Grant** Reason: Sorting Ichneumonidae for the entomological collection Amount: $1,000	*Essig Museum, UC Berkeley, USA*
Summer 2022	**ECN Workshop Travel Award** Reason: Attending the Entomological Collection Management Workshop Amount: $1,000	*ECN & ESA, USA*
Spring 2022	**NSF s-STEM Travel Support** Awarded via Broward College to support the Spring 2022 Workshop Series Amount: $2,000	*Broward College, USA*
Spring 2022	**Biology Department Travel Award** Reason: Insect Dissection Training with István Mikó (UNH) Amount: $300	*University of Central Florida, USA*
Spring 2022	**Graduate Student Travel Funding** Reason: Presenting at International Congress of Entomology (ICE) (suspended due to COVID) Amount: $800	*University of Central Florida, USA*

Funding Applications – Pending or Not awarded · (AMNH = American Museum of Natural History)

Fall 2024	**Postdoctoral Fellowship** Project Title: Trade-offs, Constraints, and Evolutionary Rates: Shaping Morphological Diversity in Parasitoid Wasps (Ichneumonidae) Amount: $67,000 yearly for two years (not awarded)	*AMNH, USA*
Spring 2021	**Synthesys+ Fellowship** Project Title: Taxonomic review of Afrotropical Ichneumoninae (Hymenoptera: Ichneumonoidea: Ichneumonidae) Amount: $2,000 (not awarded)	*European Union*

PUBLICATION & PRESENTATION SUMMARY

- Published 25 peer-reviewed articles and 4 book chapters
- Mentored an undergraduate student resulting in 1 of these publications
- Collaborated internationally on 15 of the 25 publications
- First author on 13 peer-reviewed articles, including 3 as sole author
- Senior author on 1 peer-reviewed publication
- Currently preparing 6 manuscripts
- Presented research at 29 scientific conferences, receiving 1st place for best presentation twice
- Invited to give 6 seminars on Ichneumonidae systematics and morphology

03 TEACHING & OUTREACH

TEACHING AND MENTORSHIP SUMMARY

- Teaching three courses at the University of Missouri from 2027, including a newly developed course in Insect Conservation
- Serve as Instructor of Record for 3 courses taught and 1 upcoming course: Introduction to Environmental Sciences, Biology 1, Biology 2, and Animal Physiology (Summer)
- Taught three different course labs as Graduate Teaching Associate (GTA)
- Appointed Lead TA for General Biology 2 Lab (Summer), supervising 4 other GTAs
- Awarded two competitive teaching awards
- Mentored 12 students (5 Graduate, 7 Undergraduate), and supervised 3 Undergraduate Teaching Assistants (UTAs) and 3 Learning Assistants (LAs)
- Co-authored a peer-reviewed paper with one UTA as a result of mentorship

Courses at the University of Missouri · upcoming

Spring 2027	**Insect Diversity (PLNT_SCI 3715)** 2 credits · two lab sections Prerequisite: Introduction to Entomology (PLNT_SCI 3710)	*University of Missouri, USA*
Spring 2027	**Insect Conservation** New course · 3 credits (lectures + lab/seminar) Undergraduate course with a graduate version	*University of Missouri, USA*
Fall 2027	**Systematic Entomology (PLNTS 4710/7710)** Undergraduate/graduate course · new syllabus Includes a student insect collection project	*University of Missouri, USA*

Teaching awards · Total = $1,750

Spring 2022	**UCF Excellence in Teaching by GTA** Reason: Excellence in Teaching by a GTA Amount: $1,500	*University of Central Florida, USA*
Spring 2022	**UCF COS Excellence in Teaching by GTA** Reason: COS Excellence in Teaching by a GTA Amount: $250	*University of Central Florida, USA*

Courses Taught as Instructor of Record (IR)

Summer 2026	**Animal Physiology** Enrollment: 28 Sections: 1	*University of Central Florida, USA*
Spring 2026	**Biology II (BSC2011C)** Enrollment: 800 students Sections: 0001 & 0002	*University of Central Florida, USA*
2025–2026	**Intro to Environmental Science (EVR1001)** Enrollment: 200 students Sections: 0001	*University of Central Florida, USA*
Fall 2025	**Biology I (BSC2010C)** Enrollment: 900 students Sections: 0001 & 0003	*University of Central Florida, USA*

Course taught as Graduate Teaching Associate (GTA)

2024–2025 **Biology I Lab (BSC2010C)** *University of Central Florida, USA*
Taught in Fall & Spring semesters
Coordinator: Ms. Michele Yeargain

2019–2024 **Biology II Lab (BSC2011C)** *University of Central Florida, USA*
Taught every Spring & Summer semesters
Coordinator: Ms. Marisha Stubbs & Ms. Michele Yeargain

2021–2023 **Invertebrate Biodiversity Lab (ZOO4205C)** *University of Central Florida, USA*
Taught every Fall semester
Instructor: Dr. John Fauth

2022–2023 **Ichneumonidae Identification** *Virtual WaspID Course, online*
Role: Lecturer
Topics: biology, systematics, morphology, and identification of Ichneumonidae

2018–2022 **General Entomology (ENY4004C/5006)** *University of Central Florida, USA*
Taught each Fall or Spring semester
Instructor: Dr. Barbara Sharanowski; supervised UTAs

Guest lectures

Spring 2023 **Guest Lecturer** *University of California, Berkeley, USA*
Lecture on Hymenoptera for the General Entomology class
Course instructor: Dr. Kipling Will

Spring 2022 **Guest Lecturer** *Broward College, Miami, USA*
Lecture on Ichneumonidae for the Entomology class
Course instructor: Dr. David Serrano

Spring 2020 **Guest Lecturer** *University of Padua, Italy*
Lecture on Hymenoptera for the Entomology class
Course instructor: Dr. Daniele Sommaggio

Spring 2018 **Guest Lecturer** *University of Padua, Italy*
Lecture on Hymenoptera for the Entomology class
Course instructor: Dr. Daniele Sommaggio

Mentorship · Graduate Students (GT) & Undergraduate Students (UG)

2026–Present **J. Gildehaus** *University of Missouri, USA*

04 CURATION & EXTENSION

ENNS ENTOMOLOGY MUSEUM · DIRECTOR (2026–PRESENT)

- Lead the Enns Entomology Museum, University of Missouri: about 7–8 million specimens (collection code EEM; formerly cited as UMC)
- Registered the museum as a GBIF data publisher and in GRSciColl; launched the EEM occurrence dataset (doi:10.15468/eqzfmb)
- Started specimen digitization in TaxonWorks with unique QR catalog numbers; cataloguing the type collection and the museum library
- Acquired new imaging and microscopy equipment: Macropod focus-stacking system and ZEISS SteREO Discovery.V8 stereomicroscope
- Secured the donation of the Ken McCarty insect collection
- Converting the preparation room into space for students, research and outreach; moving pest management to freezing and thymol
- Started fundraising toward a museum endowment with the MU advancement office

CURATION & EXTENSION ACTIVITY SUMMARY

- Curate 11 major collections nationally and internationally as an expert in the subfamily Ichneumoninae (Hymenoptera, Ichneumonidae)
- Appointed Research Associate for two collections: University of Central Florida Collection (UCFC) & Florida State Collection of Arthropods (FSCA)
- Serve as taxonomic specialist for Ichneumonoidea for the United States Department of Agriculture, Tampa Area (volunteer)
- Participated in 11 biodiversity surveys to enhance public collections
- Oversee three additional projects hosted in TaxonWorks and TaxonPages
- Served as Assistant Curator of Entomology (3-year appointment) at the Natural History Museum of Venice (MSNVE)

BIODIVERSITY INFORMATICS

- Lead and founder of the World Ichneumonidae Database (WID) in TaxonWorks, including its public page in TaxonPages.
- Lead Curator of the Hymenoptera Anatomy Ontology (HAO), overseeing development, curation, and maintenance for standardized morphological terminology.
- Digital Collections Manager at University of Central Florida Collection (UCFC), transferring, curating, and publishing biodiversity data to TaxonWorks and mobilizing it to GBIF.
- Digital Collections Manager for Syrphidae of Italy (SoI), curating the project in TaxonPages and TaxonWorks, and publishing data to GBIF.
- Facilitator for the World Lampyridae Database, managing the TaxonPages and TaxonWorks project and mobilizing data to GBIF.
- Digital Content & Web Manager for the Center for Systematic Entomology (CSE), designing, maintaining, and publishing peer-reviewed content monthly.
- Developer & Manager of personal professional website (davidedalpos.com), showcasing research, publications, and outreach.
- Support and data mobilization to GBIF for the University of New Hampshire (UNHC) Ichneumonidae collection.
